Sixth Sunday of Easter

May 10, 2026

8:30 am

Welcome to St. Timothy Lutheran Church!

“He is risen!”—the Church shouts with confidence—“He is risen indeed!” The high point of our Christian life is celebrated this morning as we gather with all of God’s children to rejoice in the resurrection of our Lord, Jesus Christ. As the Gospel from Luke 24 tells us, confusion and fear give way to confident faith when the women who went to the tomb realize Jesus is alive and then share this good news with the other disciples. Through those disciples, this message has reached us also!

Volunteers needed –to assist with the **2025 financial review**. This is an important ministry that helps ensure transparency and faithful stewardship of the resources God has entrusted to our church. If you are willing to **serve Christ in this way**, contact **Chad Carriero at 248•830•4189**. Thank you for prayerfully considering how you might help support this important work.

Last week to get your recipes in the recipe book – the Eunice Society has decided it’s time to compile a new recipe book with our members favorites. Please take a sheet for each one you wish to submit. Write down your recipe and return them to the recipe box. Don’t forget your name, any tips or who the recipe was handed down from. We will be collecting until **May 15th**. We look forward to sharing your family favorite dishes.

Baby bottle time - beginning TODAY and wrapping up on Father's Day, we offer an opportunity for our St. Timothy family to support local women through donations to the Crisis Pregnancy Center in Flint. Baby bottles are available once again for you to take home, fill with your loose change, and return on or before Father's Day. All money is used to support pregnant women and encourages them to choose life for their unborn child.

You can save lives – just one blood donation can save up to three lives! The Red Cross Blood Drive is coming up next Monday May 18th. You can donate blood from 12:00 pm - 5:45 pm. To give blood sign-up for a time online at: redcrossblood.org Every two seconds someone in the U.S. needs blood. More than 38,000 blood donations are needed every day. It is essential for surgeries, cancer treatment (over 1 million people every year are diagnosed with cancer for the first time), chronic illnesses, and traumatic injuries. Blood and platelets cannot be manufactured; they can only come from volunteer donors. You alone hold the lifesaving care needed by donating. Questions? See Maggie Wheeler.

Worship this Thursday night – at 7pm for the accession of the Lord service. Come and celebrate the service that commemorates Jesus’ ascending into heaven to sit at the right hand of God, transitioning from earthly ministry to reigning as King. It emphasizes Christ’s present, active headship over the Church, blessing believers, and fulfilling the promise to send the Holy Spirit. The ascension does not mean absence; rather, Christ ascends to fill all things and be with His church in a new way.
